

**Safety Modules
CBE 380**

Instructions

As part of CBE 380, you must complete five online safety modules.

The modules are located at sache.org.

You select Login from the menu.

You then click the button for “University Student Login”.
Use the password distributed in class.

Click the “Student Certificate Program”.

You now can access and read the material for a given module.

You take the corresponding quiz on the AIChE website, accessed by following the link on the sache.org website.

Print out proof that you took the quiz.
